

Character Manual

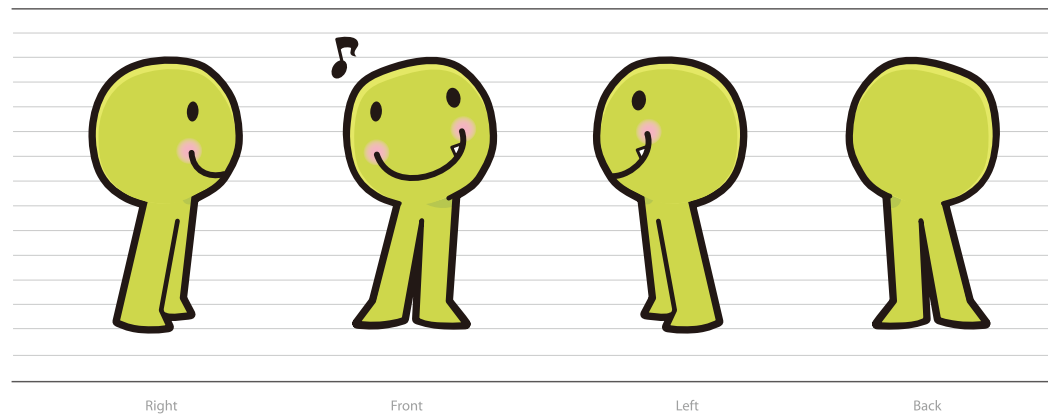

[Character]

[Profile]

- Age : 777 years old (based on the Earth's age.)
Gender : None
Superpowers : Telekinesis, Body Duplication .
(each clone has its own personality and distinct traits)
Personality : Curious, cheerful, and lively.
The type that acts before thinking.
Hobby : Collecting Happy Money.
Likes : Anything that generates endorphins!
Dislikes : Sadness, body turning gray when experiencing negative emotions.
Motto : Happiness is always close to us.
The reason for coming to Earth : in search of the endorphins needed for Endolstar.

[Turn around]

Personality : Full of fighting spirit, choleric temperament, and high leadership among the clone characters. Always takes the lead in any situation.
More action-oriented than thoughtful, and has a very loud voice. Has the highest energy and enjoys thrills among the HappyMong clones

Characteristics : Has a free-spirited spiky hairstyle that matches the personality, but when gets disappointed or misses an event, the spiky hair drops downwards. Always ends a talk with an "I".

Spotted at : Events, affiliate marketing, time attack venues.

#I_can't_help_but_help
#They_need_MY_help!

Personality : A laid-back, relaxed, and easygoing in most situations (although occasionally prone to sudden outbursts like a hornet).
Loves animals, nature, and trot music, and can be found everywhere since born with itchy feet.

Characteristics : Has learned the Earth language in Chungcheong Province and thus speaks with dialects. Due to engaging in outdoor activities frequently, started wearing a straw hat to protect the face from getting sunburned.

Spotted at : Travel and leisure spots.

BASIC SYSTEM

Sub-character

Personality : Appears cold and distant, but actually takes better care of others than anyone else—a tsundere-like personality. Loves shopping and is addicted to SNS, with hobbies that frequently change and a tendency to quickly fall in love.

Characteristics : Wears a ribbon on the head and has distinctive eyelashes.

Spotted at : Events, shopping locations, and cultural venues.

#On_a_shopping_spree

Personality : Loves friends! Loves food even more! Apart from food-related matters, tends to follow friends' opinions. Loves the food on Earth and thus roams around in search of delicious eateries. Used to go to the movies for popcorn but now movie has turned into a hobby, which is not a secret.

Characteristics : Since always eating something, speaks with mouthful "Yum yum", "Nom nom," but the clones who duplicated from the same body can easily understand them.

Spotted at : Restaurants, performance venues/movie theaters.

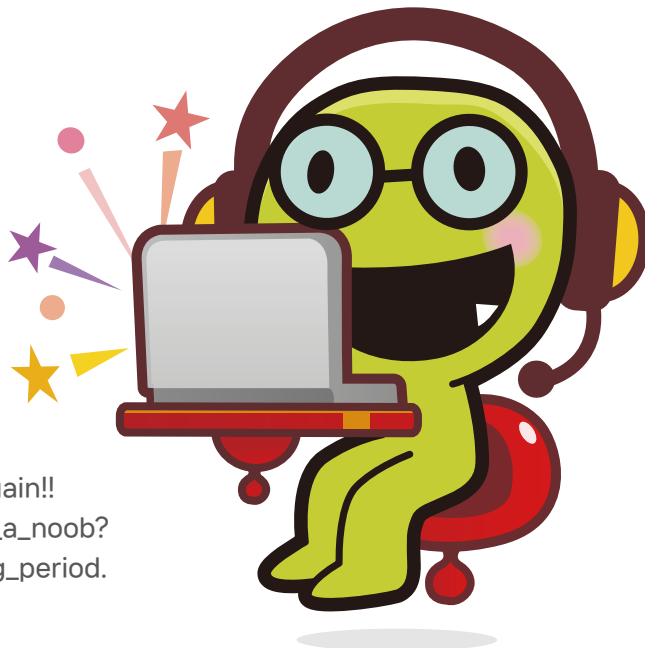

#Yum_yum
#Nom_nom
#Earth_is_full_of_yummies

Personality : A game mania who knows nothing but games, but the only skill honed through gaming is typing speed. To compensate for the lack of gaming skills, frequently resorts to cash charging. Has the sharpest mind and is the most knowledgeable about financial management among the clones.

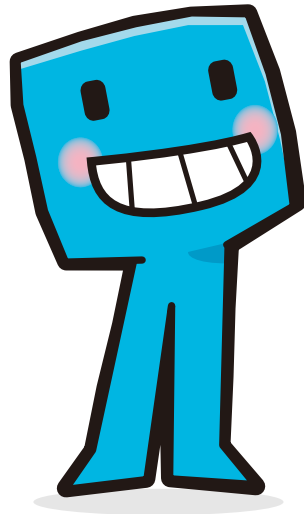

Characteristics : Has good eyesight, but loves to wear glasses because it seems to help concentrate better.

Spotted at : Gaming venues, places related to financial management

[Character]

[Profile]

Age : 777 years old (based on the Earth's age.)

Gender : None

Superpowers : Stealth - Can conceal the body anywhere flat, such as walls or floors.

Personality : Misanthropic, meticulous, dislikes deviating from plans.
The opposite of HappyMong.

Special Skill : Pinpointing weaknesses and striking at the core.

Likes : Going home, a quiet private space.

Dislikes : Anything that disrupts what I like.

Motto : If happiness cannot be bought with money, perhaps it's worth checking if there's a shortage of money.

The reason for coming to Earth : Came to Earth to find HappyMong who has lost contact.
